SURVIVAL TIPS

- Just keep telling yourself, "It's only a nightmare."
- The evening's first and last performances of Bill & Ted's Excellent Halloween Adventure are the least crowded. It's recommended to arrive 30 minutes prior to showtime.
- Come early and stay late. Wait times are always longest during the middle of the evening's event.
- Hit the shows first, then the original content houses, then the movie/TV themed houses towards the end of the night.
- Hop on your favorite ride. Wait times on most rides and attractions are generally much shorter than during regular park hours. It's the perfect time to get in a quick thrill between houses.
- Our First Aid Facility *Sponsored by Walgreens* is located on Canal Street behind Louie's Italian Restaurant™ between New York and San Francisco.
- Are you lost? If you become separated from your group, please visit Guest Services.
- Missing a favorite seasonal treat? Have no fear: those specialty food items are available at select dining locations throughout the park. See our dining listing for details.
- Don't mistreat the event's "scareactors" – they know where you live.
